

ROCKIN' UTAH

Reaching Out Connecting Kids In Nature

Registration

How to Register

Registration for ROCKIN' UTAH programs is accepted by family on a first-come, first-served basis. Unless otherwise indicated, programs can only accommodate 10 families. Because of this limitation, please do not sign up for a program unless you absolutely intend to participate in it. If you register and find you are unable to attend, please call (800) 322-3770 (outside the Salt Lake City calling area) or 322-3770 (inside the Salt Lake City calling area) to cancel your registration. If the program(s) you request are full, you will be placed on a waiting list and notified if a cancellation occurs.

There are 3 ways to register:

1. Call (800) 322-3770 (outside the Salt Lake City calling area) or 322-3770 (inside the Salt Lake City calling area) to request registration for your selected program(s).
